

the HAP contract for all or any contract units. Such remedies include termination of housing assistance payments, abatement or reduction of housing assistance payments, reduction of contract units, and termination of the HAP contract.

(c) *Maintenance and replacement—Owner's standard practice.* Maintenance and replacement (including redecoration) must be in accordance with the standard practice for the building concerned as established by the owner.

§ 983.208 Owner responsibilities.

The owner is responsible for performing all of the owner responsibilities under the Agreement and the HAP contract. 24 CFR 982.452 (Owner responsibilities) applies.

§ 983.209 Owner certification.

By execution of the HAP contract, the owner certifies that at such execution and at all times during the term of the HAP contract:

(a) All contract units are in good and tenantable condition. The owner is maintaining the premises and all contract units in accordance with the HQS.

(b) The owner is providing all the services, maintenance, equipment, and utilities as agreed to under the HAP contract and the leases with assisted families.

(c) Each contract unit for which the owner is receiving housing assistance payments is leased to an eligible family referred by the PHA, and the lease is in accordance with the HAP contract and HUD requirements.

(d) To the best of the owner's knowledge, the members of the family reside in each contract unit for which the owner is receiving housing assistance payments, and the unit is the family's only residence.

(e) The owner (including a principal or other interested party) is not the spouse, parent, child, grandparent, grandchild, sister, or brother of any member of a family residing in a contract unit.

(f) The amount of the housing assistance payment is the correct amount due under the HAP contract.

(g) The rent to owner for each contract unit does not exceed rents

charged by the owner for other comparable unassisted units.

(h) Except for the housing assistance payment and the tenant rent as provided under the HAP contract, the owner has not received and will not receive any payment or other consideration (from the family, the PHA, HUD, or any other public or private source) for rental of the contract unit.

(i) The family does not own or have any interest in the contract unit.

Subpart F—Occupancy

§ 983.251 How participants are selected.

(a) *Who may receive PBV assistance?*

(1) The PHA may select families who are participants in the PHA's tenant-based voucher program and families who have applied for admission to the voucher program.

(2) Except for voucher participants (determined eligible at original admission to the voucher program), the PHA may only select families determined eligible for admission at commencement of PBV assistance.

(3) The protections for victims of domestic violence, dating violence, or stalking in 24 CFR part 5, subpart L, apply to admission to the project-based program.

(b) *Protection of in-place families.* (1) The term "in-place family" means an eligible family residing in a proposed contract unit on the proposal selection date.

(2) In order to minimize displacement of in-place families, if a unit to be placed under contract that is either an existing unit or one requiring rehabilitation is occupied by an eligible family on the proposal selection date, the in-place family must be placed on the PHA's waiting list (if the family is not already on the list) and, once its continued eligibility is determined, given an absolute selection preference and referred to the project owner for an appropriately sized PBV unit in the project. (However, the PHA may deny assistance for the grounds specified in 24 CFR 982.552 and 982.553.) Admission of such families is not subject to income-targeting under 24 CFR 982.201(b)(2)(i), and such families must be referred to the owner from the

PHA's waiting list. A PHA shall give such families priority for admission to the PBV program. This protection does not apply to families that are not eligible to participate in the program on the proposal selection date.

(c) *Selection from PHA waiting list.* (1) Applicants who will occupy PBV units must be selected by the PHA from the PHA waiting list. The PHA must select applicants from the waiting list in accordance with the policies in the PHA administrative plan.

(2) The PHA may use a separate waiting list for admission to PBV units or may use the same waiting list for both tenant-based assistance and PBV assistance. If the PHA chooses to use a separate waiting list for admission to PBV units, the PHA must offer to place applicants who are listed on the waiting list for tenant-based assistance on the waiting list for PBV assistance.

(3) The PHA may use separate waiting lists for PBV units in individual projects or buildings (or for sets of such units) or may use a single waiting list for the PHA's whole PBV program. In either case, the waiting list may establish criteria or preferences for occupancy of particular units.

(4) The PHA may merge the waiting list for PBV assistance with the PHA waiting list for admission to another assisted housing program.

(5) The PHA may place families referred by the PBV owner on its PBV waiting list.

(6) Not less than 75 percent of the families admitted to a PHA's tenant-based and project-based voucher programs during the PHA fiscal year from the PHA waiting list shall be extremely low-income families. The income-targeting requirements at 24 CFR 982.201(b)(2) apply to the total of admissions to the PHA's project-based voucher program and tenant-based voucher program during the PHA fiscal year from the PHA waiting list for such programs.

(7) In selecting families to occupy PBV units with special accessibility features for persons with disabilities, the PHA must first refer families who require such accessibility features to the owner (see 24 CFR 8.26 and 100.202).

(d) *Preference for services offered.* In selecting families, PHAs may give pref-

erence to disabled families who need services offered at a particular project in accordance with the limits under this paragraph. The prohibition on granting preferences to persons with a specific disability at 24 CFR 982.207(b)(3) continues to apply.

(1) *Preference limits.* (i) The preference is limited to the population of families (including individuals) with disabilities that significantly interfere with their ability to obtain and maintain themselves in housing;

(ii) Who, without appropriate supportive services, will not be able to obtain or maintain themselves in housing; and

(iii) For whom such services cannot be provided in a nonsegregated setting.

(2) Disabled residents shall not be required to accept the particular services offered at the project.

(3) In advertising the project, the owner may advertise the project as offering services for a particular type of disability; however, the project must be open to all otherwise eligible persons with disabilities who may benefit from services provided in the project.

(e) *Offer of PBV assistance.* (1) If a family refuses the PHA's offer of PBV assistance, such refusal does not affect the family's position on the PHA waiting list for tenant-based assistance.

(2) If a PBV owner rejects a family for admission to the owner's PBV units, such rejection by the owner does not affect the family's position on the PHA waiting list for tenant-based assistance.

(3) The PHA may not take any of the following actions against an applicant who has applied for, received, or refused an offer of PBV assistance:

(i) Refuse to list the applicant on the PHA waiting list for tenant-based assistance;

(ii) Deny any admission preference for which the applicant is currently qualified;

(iii) Change the applicant's place on the waiting list based on preference, date, and time of application, or other factors affecting selection under the PHA selection policy;

(iv) Remove the applicant from the waiting list for tenant-based voucher assistance.

§ 983.252 PHA information for accepted family.

(a) *Oral briefing.* When a family accepts an offer of PBV assistance, the PHA must give the family an oral briefing. The briefing must include information on the following subjects:

(1) A description of how the program works; and

(2) Family and owner responsibilities.

(b) *Information packet.* The PHA must give the family a packet that includes information on the following subjects:

(1) How the PHA determines the total tenant payment for a family;

(2) Family obligations under the program; and

(3) Applicable fair housing information.

(c) *Providing information for persons with disabilities.* (1) If the family head or spouse is a disabled person, the PHA must take appropriate steps to assure effective communication, in accordance with 24 CFR 8.6, in conducting the oral briefing and in providing the written information packet, including in alternative formats.

(2) The PHA shall have some mechanism for referring to accessible PBV units a family that includes a person with mobility impairment.

(d) *Providing information for persons with limited English proficiency.* The PHA should take reasonable steps to assure meaningful access by persons with limited English proficiency in accordance with obligations contained in Title VI of the Civil Rights Act of 1964 and Executive Order 13166.

§ 983.253 Leasing of contract units.

(a) *Owner selection of tenants.* (1) During the term of the HAP contract, the owner must lease contract units only to eligible families selected and referred by the PHA from the PHA waiting list.

(2) The owner is responsible for adopting written tenant selection procedures that are consistent with the purpose of improving housing opportu-

nities for very low-income families and reasonably related to program eligibility and an applicant's ability to perform the lease obligations.

(3) An owner must promptly notify in writing any rejected applicant of the grounds for any rejection.

(b) *Size of unit.* The contract unit leased to each family must be appropriate for the size of the family under the PHA's subsidy standards.

§ 983.254 Vacancies.

(a) *Filling vacant units.* (1) The owner must promptly notify the PHA of any vacancy or expected vacancy in a contract unit. After receiving the owner notice, the PHA must make every reasonable effort to refer promptly a sufficient number of families for the owner to fill such vacancies.

(2) The owner must lease vacant contract units only to eligible families on the PHA waiting list referred by the PHA.

(3) The PHA and the owner must make reasonable good faith efforts to minimize the likelihood and length of any vacancy.

(b) *Reducing number of contract units.* If any contract units have been vacant for a period of 120 or more days since owner notice of vacancy (and notwithstanding the reasonable good faith efforts of the PHA to fill such vacancies), the PHA may give notice to the owner amending the HAP contract to reduce the number of contract units by subtracting the number of contract units (by number of bedrooms) that have been vacant for such period.

§ 983.255 Tenant screening.

(a) *PHA option.* (1) The PHA has no responsibility or liability to the owner or any other person for the family's behavior or suitability for tenancy. However, the PHA may opt to screen applicants for family behavior or suitability for tenancy and may deny admission to an applicant based on such screening.

(2) The PHA must conduct any such screening of applicants in accordance with policies stated in the PHA administrative plan.

(b) *Owner responsibility.* (1) The owner is responsible for screening and selection of the family to occupy the owner's unit.
